

Did Epicurus Advise Marriage or Not? Diogenes Laertius Text Difficulty

Post by "Don" of October 29, 2024 at 6:37 PM

[Quote from Eikadistes](#)

Don do you have a copy of the original manuscript?

This post on my wall has links to the available online digitized DL manuscripts.

As far as "original," that's open to definition/interpretation. We certainly don't have DL's autographs or his sources in many cases. The ones we do have are centuries removed from him; however, they're the best we have!
