

Nothing Ain't Worth Nothing....

Post by “kochiekoch” of November 4, 2024 at 2:49 PM

...But It's Free! ☐☐

Here's a take on tonight's first Monday theme of "[Nothing Can Be Created From Nothing](#)".

Nothing doesn't exist!

["Nothing" doesn't exist. Instead, there's "quantum foam" - Big Think](#)

An updated version of Epicurus' idea of an infinite universe filled with infinite particles undergoing the swerve. All courtesy of quantum physics.

Enjoy! ☐☐
