

Episode One Hundred Forty - The Letter to Menoecus 07 - Completion of the Letter

Post by "Cassius" of November 8, 2024 at 6:50 AM

So you're saying that the quoted sentence would be better as:

Nonetheless, it seems like [the structure of] supernatural religion lends itself to misinterpretation.

?

Or do you think that *both* the structure and ideology of supernatural religion lends itself to misinterpretation?
