

# How Would Epicurus Analyze The Slogan "Live Free Or Die" As An Ethical Guide?

**Post by "Cassius" of December 5, 2024 at 7:12 AM**

As an aside I think it's a useful technique for learning Epicurean philosophy to offset against each other two or more reliable citations that on the surface seem to conflict with each other, and then explain how they can be reconciled.

Lots of issues can be addressed that way.
