

Mark Twain Quote (On Death)

Post by "Don" of December 5, 2024 at 7:20 AM

[Quote from Cassius](#)

Never heard of Artemus Ward - thank you - interesting story! Challenging time to have specialized in comedy!

Few people seem to have heard of him, but he was BIG in his day. Also arguably the first stand up comedian. His Ohio connections endear him to me. Always glad to take the opportunity to spread the word.
