

Discussion of New Substack Article: "A Gate To Be Burst: Absence of Pain"

Post by "Bryan" of December 9, 2024 at 12:11 AM

These are some examples of coins issued in the first two decades of the garden's existence in Athens. Both are coins by *Dēmétrios Poliorkētēs*. When he was younger he showed himself with only horn buds, but eventually, as seen here, with full horns.
