

Theories of Time - University of Oregon Webpage

Post by “Joshua” of December 25, 2024 at 8:50 PM

<https://pages.uoregon.edu/jschombe/cosmo...venly%20spheres>.

I haven't read through this yet but it starts with a summary of different ancient views of time, and is relevant to our recent conversations about Parmenides and Zeno of Elea.

We also have [this](#) webpage from Kansas State University on Parmenides.

([Cassius](#) and [Kalosyni](#), I posted this quickly and I didn't search very long for a proper subforum, so we may need to relocate it)
