

Music Theory And Epicurean Philosophy

Post by "Godfrey" of May 26, 2019 at 7:11 PM

Cassius, thanks for your synopsis! I got completely derailed by the untranslated Greek in the piece.

What you say makes perfect sense. I've been under the impression, without recalling the sources offhand, that Epicurus was somehow opposed to poetry and music. This has always seemed peculiar to me; your interpretation makes much more sense with EP as I understand it.
