As part of our collaborative work toward an "Epicurean Week" we have come up with a series of "power-point" slides which introduce the philosophy in seven simple steps. The formulation here may change over time as we fine tune this as part of our course materials. This will eventually be expanded into a "7 Weeks with Epicurus". Questions and comments are welcome. Click [here](#) for the presentation or you can just click on the graphic above to begin the...
