I arrived at Epicureanism by way of Stoicism.

You'll find that a common thread for many of us.

having flirted with, then abandoned, Buddhism, I found this ancient Greek philosophy to be a breath of fresh air

Ditto on the Buddhism.

The almost modern perspective of Epicurus definitely made me take notice. Now, I'll have been a member of this forum (I always feel I should say agora since Epicurus was Greek) five years now next month. It is a welcoming place. Enjoy the stay!
