

Was Atlantis An Allegorical Flight of Fancy Like Plato's Cave And His Ideal Forms?

Post by "Cassius" of January 28, 2025 at 11:29 AM

[Quote from Bryan](#)

It makes sense to split, because Atlantis is a distracting introduction (which I brought up) but it is not address by Epikouros, who is focused instead on the restrictive geometry that Plato assigns to the elements.

It may be distracting to the original topic, but I won't be surprised if over time it turns into a popular thread. 😊
