

Welcome SoWhatAustin!

Post by “sowhataustin” of February 6, 2025 at 9:40 AM

Hello, I'm Austin. I came here looking for translations of Epicurean texts. I've listened to some informative podcasts that piqued my interest, but it's time I engaged with Epicureanism in earnest. I'm happy to stumble upon this forum and your readily available catalog of relevant writings. I look forward to diving in and discussing things with you all.
