I like this idea. I've been thinking about a one-page handout to bring to the in-person gathering. I would want it to contain at least the four-fold cure and three classes of desires. Probably some other of the [principal doctrines](#), but stated as simply as possible. And a few of the common misunderstandings of the teaching.

[Al-Hakiim von Grof](#), I really like the back of this brochure with the four principles and Epicurus quote. I might use something like this.
