## Epicurean Meetings and Conventions

New: [Meetup Handouts](#)

Update: As of 2/10/25 as I am writing this, it is my understanding that the Sydney Australia Epicurean meetup group is no longer operational. I have left the links below in case you want to look for prior versions of the page, but at present i am not aware of any operational Epicurean Meetup groups.

In most parts of the world, there are at present very few opportunities for regular people who are interested in Epicurus to get together to...
