

Toronto Canada Meetup Group (Discussion on Implementation)

Post by “Cassius” of February 12, 2025 at 4:09 PM

Right. There's a major difference between this internet forum and a Meetup. I personally see the Meetup platform as much more informal, and you'll necessarily have to be more loose in the way you do things. Depending on your own interests, you can decide how rigorous you want to be to accomplish your own personal goals.
