

# Brochure By AxA - Toronto

**Post by "AxA" of February 18, 2025 at 12:18 PM**

Here's my draft brochure for the in-person Eikas this weekend. As a tri-fold brochure it starts on the right panel of page 1, then all of page 2, then finishes on the left and middle panels of page 1.

Curious to hear your feedback and especially if anyone feels I'm misrepresenting Epicurus's views.
