

Welcome Pimagus

Post by “Pimagus” of March 8, 2025 at 9:05 AM

I came to the forum through the podcast. I have been googling “Epicurus” on occasion for a while. I am intrigued by the misapprehensive way some groups criticize Epicureanism as “hedonistic”. Other strains of philosophy and spirituality have been hyperbolically criticized in similar ways. So I appreciate the way this group is rooted in the texts.
