

# Technology Inquiry: Easy Production of Side-By-Side English Translation with Greek or Latin?

**Post by “TauPhi” of March 10, 2025 at 5:44 PM**

If you're looking for something like that:

[Side By Side viewer](#)

you may want to follow the link to the source code given in 'About' section. I didn't investigate it closely but it looks like there are some instructions how to create similar projects. There are also author's contact details there, if needed.
