

Epicureanism as the spiritual essence or 'religion' of an entire community

Post by “Joshua” of March 28, 2025 at 7:28 PM

[Quote from DaveT](#)

I thought that his conception that nothing is un-caused was a rebuke to those who believed that an omnipotent being created things.

"Nothing comes from nothing by the will of the gods"--*nullam rem e nihilo gigni divinitus umquam*, as [Lucretius](#) puts it--was exactly such a rebuke!
