

Lucretius - Side-By-Side English and Latin Versions

Post by "Cassius" of March 29, 2025 at 9:26 PM

I made a lot of progress today and completed the "coding" I needed for all six books, but when I loaded them into github the site now seems to choke with a 'loading' message.

May have to split them up by book to make it workable but if someone checks the site for the time being that's the reason it's not working.
