

New "TWENTIERS" Website

Also, in case anyone is interested, I made this as a tool for my study... [attached]

Every entry links to <https://www.perseus.tufts.edu>, which is the best resource I have found to confirm tenses and declensions. **Speaking** of tenses and declensions, if the spirit moves anyone, and they could use a hand with the language, feel free to ask me about mediopassive and aorist tenses. 🤪
