

Welcome Rolf!

Hello all!

I'm Rolf and I'm a student living in Scandinavia. I have long been searching for a philosophy of life that makes sense for me, with nothing seeming to click. I came across epicureanism a couple of months ago, and it all just feels so... Reasonable. That is to say, it fits like a glove. As per the recommendation on this site, I have been reading through Emily Austin's lovely introduction to the philosophy. I'm not quite sure what else to right here, but feel free to ask me anything if you're (epi)curious.

Thanks for having me!
