

VS78 - Alternative Translation

Post by “Matteng” of April 10, 2025 at 4:37 PM

Why is friendship immortal ? My thoughts:

It is meant to be divine. Divine are the gods with 2 aspects: they are blessed and incorruptible. With blessed I think the highest good/ goal is meant => Pleasure.

Conclusion: Prudence is an instrumental good but friendship (Philia) is a Pleasure (so blessedness so divine) a „immortal“ good.

Your thoughts ?
