

The Use of Negation in Epicurean Philosophy Concepts

Post by “Kalosyni” of April 15, 2025 at 12:29 PM

[Don](#) any thoughts on this? Maybe you have something to add about the use of negation in ancient Greek language, and the pattern of words that often occurs? Could we translate to a "positive" framing (and phrasing) without losing anything? ...And it seems we could only do so if we were translating directly from ancient Greek source texts.
