

Did Epicurus Commit Suicide Due To His Disease? (Merger of Two Threads On When Voluntary Death Makes Sense)

Post by “Eikadistes” of April 30, 2025 at 8:05 PM

[Quote from Don](#)

Why does he use ἐγράφομεν "we write"? 1st person plural?

I've been considering if this choice was a reflection of those texts being expressions of the collective thought held by the leaders of the Garden, or else, if it evident (as I think might be the case with the Last Will) that someone was transcribing on behalf of Epicurus, or else, copying material.
