

Why pursue unnecessary desires?

Post by "Bryan" of May 7, 2025 at 10:41 AM

For the threefold division, it seems that "empty" has a negative connotation in Epistemology and Ethics, but is neutral in Physics.

[Quote from Don](#)

VS423.

I think you want U423, and so for the rest.

Is that from a version that has the Greek and English already paired?
