

☐ as the symbol of the philosophy of Epicurus

Post by “Patrikios” of May 12, 2025 at 7:21 PM

[Quote from Don](#)

Thinking out loud (fully realizing I just said no letters 😄)

Φ or Φ - Greek phi

= Philosophy

Two stylized Ps back to back = Pleasure and Pain

If the Epicurean philosophy is about choice of Pleasure or Pain, then

Pleasure/Pain = Φ/Φ
