

The Advice of Marcus The Golden

Post by "Cassius" of June 10, 2019 at 9:37 AM

The screenshot shows the top portion of a Britannica article. At the top is a dark blue header with the Britannica logo and '250th ANNIVERSARY'. Below this is a navigation bar with links: DEMYSTIFIED, QUIZZES, #WTFAC, LISTS, ON THIS DAY, BIOGRAPHIES, SAVING EARTH. The article title 'Marcus Aurelius' and subtitle 'EMPEROR OF ROME' are displayed. A left sidebar contains a 'CONTENTS' menu with items: Introduction & Quick Facts (highlighted), Youth and apprenticeship, Roman emperor, The Meditations, and Legacy. The main content area shows the title 'Marcus Aurelius' and subtitle 'EMPEROR OF ROME'. Below this, it lists the author 'John Anthony Crook' and the update date 'Jun 7, 2019'. A section for 'Alternative Titles' lists 'Caesar Marcus Aurelius Antoninus Augustus, Marcus Annus Verus'. The main text begins with 'Marcus Aurelius, in full Caesar Marcus Aurelius Antoninus Augustus, original name (until 161 CE) Marcus Annus Verus, (born April 26, 121 CE, Rome [Italy]—died March 17, 180, Vindobona [Vienna, Austria] or Sirmium, Pannonia), Roman emperor (161–180 CE), best known for his Meditations on Stoic philosophy. Marcus Aurelius has symbolized for many generations in the West the Golden Age of the Roman Empire.'

If this from Britannica is correct, then our humble virtuous philosopher Marcus DID start to adopt the name "Golden" during his reign.

If I were more familiar with MEDITATIONS I would look for a quote on modesty and paste it into one of Nate's graphics with something like "Preached Modesty" << >> "Called himself 'Golden'" 😊
