

# Epicurean Rings / Jewelry / Coins / Mementos

Post by "Rolf" of May 24, 2025 at 7:59 PM

## [Quote from Bryan](#)

Posting an update to coins and rings I have been making, They are still a bit rough, but if anybody wants any, let me know. The necklaces and the coins are the easiest to make, and the Lucretius Trio ring is "on hold" at the moment (but I should be able to make more, somewhat better versions, soon).

These are beautiful, Bryan! 🥰
