

Confusion: "The feelings are only two"

Post by "Rolf" of May 27, 2025 at 7:41 AM

[Quote from Cassius](#)

[Rolf](#) I'll say publicly what I told you privately - I do not judge your questioning to be pessimistic or too persistent. You are asking excellent questions and doing us a great favor by boring in on a key issue like this. Please keep it up and feel free to expand the questioning to other topics when you are through with this one!

Much appreciated! I shall do so. 😊
