

# What fears does modern science remove, as Epicurean physics did in antiquity?

Post by “sanantoniogarden” of June 4, 2025 at 9:17 PM

[Quote from Kalosyni](#)

"On the flip side, you could say that modern science has resulted in germ-warfare and nuclear weapons"

Fritz Haber is an interesting personification of this. He helped develop the Haber process, which is still feeding billions (absolutely good) but also contributed the creation of zyklon b (absolutely evil)
