

Question On Forum Operation

Post by "Cassius" of June 15, 2019 at 5:37 AM

- 1 Yes Martin I observe that too. Hopefully the programmers will update and fix that.
2. As to the sidebar, based on what I see from my tablet, I think what happens is that if the "show sidebar" button does not appear then the software automatically repositions the sidebar so that the same material shows up if you scroll to the very bottom of the page.
