

Outline for book "Raising Children in the Epicurean Philosophy"

Post by "Elli" of June 16, 2019 at 9:26 AM

Epicurus that he was impious worshipping the gods of his polis/country... He does not accept an absolute justice the same for ALL, how would be an anarchist, a cosmopolitan, a globalist and ALL the mobs of the people of this world are one and the same under the rules of the same laws and justice ? No, these are ideas by Platonists and stoics !
