

# Prolepsis of the gods

Post by “DaveT” of July 2, 2025 at 5:12 PM

[Rolf](#) I hope I'm not abusing a topic, but I committed myself to reading DeWitt. DeWitt is hard reading for me, because he is constantly on both the offense and the defense.

Anyway, FYI if you choose to read more, in his chapter: VIII SENSATIONS, ANTICIPATIONS, AND FEELINGS, he gets into a discussion of **Prolepsis** at p. 143 under the topic of Anticipations of Epicurus' thought.
