

# Subforums Devoted To Individual Principal Doctrines and Vatican Have Been Consolidated

Post by "Cassius" of July 5, 2025 at 2:40 PM

I have now completed phase one of the reorganization of the Vatican Sayings and [Principal Doctrines](#) forums, and the result of the Vatican Sayings reorganization is here:

[Epicurus - The "Vatican List" of Sayings](#)

On both, I intend to add more links to the full list of sayings and doctrines so that you can navigate from a list (which has the full text of each doctrine/saying) to the discussion section. I plan to do that by going to the texts section and linking each saying to the tag for each saying.

When complete this change will eliminate the looonnnggg scrolling through the full forum list by reducing 121 subforums down to four or so, and I think the material will still be findable a variety of ways.

Please let me know what obvious problems you run into before I do the same to the [Principal Doctrines](#). I doubt I will get to that today so no immediate rush.

Sorry for all the "Thread Starter" notifications today, but as you can see from the number of them, many of the subforums were totally empty.
