

Epicurus And The Dylan Thomas Poem - "Do Not Go Gentle Into That Good Night"

Post by "kochiekoch" of July 8, 2025 at 8:06 PM

I read Thomas himself went unconscious into that good night. He had pneumonia, a fatty liver due to heavy alcohol use and alleged poor care at the hospital where he was at. All at aged 39.

He collapsed, went into a coma, and never regained consciousness.
