

Happy Birthday General Thread

Post by “Patrikios” of July 9, 2025 at 7:33 PM

Happy Birthday, @Eikadistes

I love how you have helped organize and explain much of the Epicurean texts. I appreciate having a printed copy of Hedonicon. I'm working on making it as full of highlighted text and dog-eared pages as my previously studied 60 year old King James. I appreciate the multiple references included:☐☐
