VS47. "I have anticipated thee, Fortune, and entrenched myself against all thy secret attacks. And I will not give myself up as captive to thee or to any other circumstance; but when it is time for me to go, spitting contempt on life and on those who vainly cling to it, I will leave life crying aloud a glorious triumph-song that I have lived well." (Bailey translation)

I am wondering if it literally says "spitting contempt on life" or what exactly it said?
