

Welcome Sam_Qwerty!

Post by "Cassius" of July 22, 2025 at 6:26 PM

Welcome Sam Qwerty and Thank you for being persistent in getting registered! For our existing members, I have already heard from Sam and have heard just a little about his background.

Sam, if you'll introduce your background to the group I feel sure you will find that this is a supportive environment for studying Epicurus.

Welcome aboard.
