

Busts of Epicurus

Post by “Bryan” of July 27, 2025 at 4:07 PM

I noticed that most of the other statues offered from the same shop have pupils. I have struggled to paint them on other busts, so I asked the shop if they could add pupils to this bust. They said they could and gave this from their program as a sample; so be aware of this option. We'll see how it turns out.
