

Happy Birthday General Thread

Post by "Robert" of August 15, 2025 at 1:54 PM

Thanks very much! This was a really nice surprise! And I love the e-card, with the depiction of Epicurus looking out over the Saronic Gulf (at least that's how I interpret it...but correct me if I got this wrong!).

Hope everyone is having a pleasurable week. 😊 I've been enjoying the great company each Sunday.
