

# "Faith" And Confidence In Epicurean Philosophy

Post by "Don" of August 27, 2025 at 7:20 PM

[Quote from Eikadistes](#)

I'd also add, the Canon.

Agreed.

I'd just add that we trust the Canon because, as a foundation, we have confidence that we live in a material world governed by knowledge laws and not capricious supernatural entities.

Chicken and egg? Does trust in Nature come first or does trust in the Canon come first so we can have trust in Nature?
