

A Lucretius Today AI Experiment: AI Summaries Of Two Lucretius Today Podcast Episodes

Post by “DaveT” of August 28, 2025 at 2:12 PM

[Quote from Don](#)

It's sort of the uncanny valley transposed to the audio instead of video environment.

Thanks for showing that. Whoddathought? I may lose the battle long term, but I have to fight against using female pronouns when referring to my GPS's voice in the car, and Alexa's voice at home. It's--it--it!
