

Personal mottos?

Post by "SillyApe" of September 3, 2025 at 2:57 PM

I am a bit late for this, but here it comes anyway: "Behold the human, a wonder of nature; an ape with delusions of grandeur!"

I tend to overthink stuff due to my OCD, so it's always good to remember the silliness of it all... I bet some "professional" Philosophers(the kind that spend endless hours arguing over abstract metaphysics) would profit from keeping this in mind too.
