

Tetrapharmakos for Golfers

Post by “Don” of September 4, 2025 at 6:47 PM

with my usual caveats ...

The first two lines in the original are not imperatives (commands) but declarative statements. So...

1. The course is not to be feared.
2. Failure is free of guilt.

The second line is originally something like "free of suspicion" or Death is free of suspicion (that something is bad about it). I used poetic license on using "guilt."
