

# Immutability of Epicurean school in ancient times

Post by “Don” of September 10, 2025 at 7:04 AM

The Verde article is this one:

[Ancora sullo statuto veritativo della sensazione in Epicuro | Lexicon Philosophicum: International Journal for the History of Texts and Ideas](#)

When Sedley writes "above" he literally means above in the same issue. Verde's directly precedes him in that issue:

[2018: Special Issue - Hellenistic Theories of Knowledge | Lexicon Philosophicum: International Journal for the History of Texts and Ideas](#)
