

Welcome Chump!

Post by "Don" of September 18, 2025 at 6:49 AM

Welcome aboard!

Glad to see the forum is showing up in Google searches!

DeWitt is complete, but I personally get bogged down by his style sometimes. If you do happen to get tired, I highly recommend taking a break and reading Emily Austin's *Living for Pleasure*. It's a more approachable, conversational style for an introduction to the philosophy.
