

Velleius - Epicurus On The True Nature Of Divinity - New Home Page Video

Post by “kochiekoch” of November 1, 2025 at 11:27 AM

I actually sat and watched this thing. ☐☐

It was pretty good, and the format that you have set up as is good for study. It's better than just sitting down reading it.

As for the quality, I didn't think it was so bad despite your concerns. Already watched the first of the Torquatus videos as well. Not too bad. Probably next week I'll get to the other two.
