

Welcome AUtc!

Post by “Cassius” of November 11, 2025 at 1:26 PM

Please welcome [AUtc](#) who tells me:

Hello, I would like to learn more about Epicureanism. I want to talk to others that are also interested in the same things. I have no background or deep education on Epicurean, other than what I have read online in a few spaces.

Thank you.
