Welcome!

I am told that this new user is a former Christian who's been trying to make sense of life after leaving the faith. He happened to find out about Epicurus recently, and much of what he taught resonated with my own beliefs almost exactly. As such, I'd like to be able to explore these beliefs with others who share them.

[EPicuruean](#) your user name is a little unusual in spelling so you might want to consider changing it at some point, but for now I'm setting up the account as is so welcome aboard!
